Register Page

The screenshot shows a web browser window with the address bar displaying "localhost:3000/Register". The browser's tab bar includes "React App" and several search results for various technologies. The registration form is centered on the page and consists of a white box with a yellow header labeled "REGISTRATION". Inside the box, there are three input fields: "Name" with the placeholder "Enter Name", "Email" with the placeholder "abc@example.com", and "Password" with the placeholder "Your Password". Below these fields is a yellow button labeled "REGISTER". The Windows taskbar at the bottom shows the search bar, several application icons, and the system clock indicating 22:20 on 02-11-2020.
